

## Teams for Tomorrow

Unleashing the Power of One

### Overview

Human knowledge is now estimated to be doubling every 13 months! Thanks to technology, it's pouring in every door and window of our organizations. The problems we face are more complex than ever. The pace of innovation and change is unrelenting and keeps accelerating. Gone are the days of the all-knowing hero leader when people worked FOR one another. Today, it's about leadership at all levels and working WITH each other or risk not surviving. Our workplaces need to stay ahead of the curve and TEAMWORK or THE POWER OF ONE is where it's at!

This course draws on thought-provoking concepts and leading-edge practices in highly successful organizations. Through values clarification, simulations, practical exercises and leadership challenges, participants will learn how to achieve 5-star results as a team while feeling the individual pride of success.

The workout will include team member self-assessment, defining success, communications and problem-solving as a team, a Team Charter and team branding. Highly experienced facilitators will guide participants through a leadership journey that will help them see the benefits of working as ONE.
