

Adobe InDesign CC Advanced

Overview

In Adobe® InDesign® CC Intro, you were introduced to the many features that help you create professional looking documents. Now you need to create much lengthier interactive documents that need to be accessed across a range of devices. In Adobe® InDesign® CC Advanced, you will learn advanced InDesign techniques to enhance the look and functionality of your documents.

Using Adobe InDesign, you have the ability to assign color profiles and establish print presets. In creating longer documents, you'll be able to include such features as a table of contents, footnotes, cross-references, and an index.

Audience

This course is intended for anyone who wants to expand their entry-level knowledge of Adobe InDesign by using advanced features and collaboration tools.

Duration 2 Days

Price \$630.00

Course objectives

Upon successful completion of this course, you will be able to use Adobe InDesign CC to create and deliver professional looking printed and interactive documents. You will:

- Prepare documents for multiple formats.
- Manage advanced page layouts.
- Manage styles.
- Build complex paths.
- Manage external files and create dynamic documents.
- Manage long documents.
- Publish InDesign files for other formats and customize print settings.
